STATEMENT REGARDING DECISION ON PETITION

Sir:

After reviewing the "Decision on Petition" mailed on September 22, 2009, the undersigned discovered that the decision stated that "... the record shows that a decision by the Board of Appeals and Interference was mailed on July 7, 2009... ." However, the records of the U.S. Patent Office indicate that the decision was rendered and mailed on July 12, 2007. Therefore, although the applicants agree with the Office of Petition's decision to grant

their petition, the applicants believe it should have been granted for the reasons set forth in its petition.

Respectfully submitted,

December 18, 2009
